## DATA CHART: Grade Period 1

### Dr. Fatolitis; Science

It is the student's responsibility to know what his/her grade is in this class at all times. It is also an expectation to keep this document updated. Complete this document during your bell work time, every time you receive a grade back from this teacher. This document will be collected, and then graded without notification from this teacher.

To get full credit (25 points) it must fall within 3 points of the PORTAL grade.

INSTUCTIONS						
#	Date	Item/Assignment	Points Earned	Points Possible	Total Points/ Total Possible Points	Current Average
			What grade did you receive?	How much was the assignment worth?	Divide as if a fraction the total possible points ÷ by the points on the assignments.	The quotient by the dividing the dividend by the divisor.
EXAMPLE						
1	3/21	Tutorial Request Form	20	25	20 / 25	80%
2	3/30	AVID Binder Check	85	100	105 / 125	84%
3	4/3	Essay Assignment	36	50	141 / 175	80%
<i>Note: As each assignment, points earned, and possible points is entered, it is always added to the previous assignment.</i>
